

"The Centenary Club is a great opportunity to celebrate Workington Reds' past and look forward to a bright future"

Steve Durham

"My eight year stay at Workington Reds was undoubtedly the best spell of my semi-professional career, and one I will cherish for the rest of my life."

John Reach

"What a great initiative for the fans to be very much part of the centenary celebrations. I fully intend to be back to meet-up with some of the great people who supported the club and former team-mates who made my seven years in the town so memorable."

Dave Butler

"There have been more troughs than peaks, it has to be said, which is why the successes have to be celebrated so enthusiastically."

CENTENARY CLUB

Celebrate with us...

OFFICIAL PARTNER:

The Briery

Don't miss this unique opportunity to become a Centenary Club member and celebrate with us 100 years of Workington AFC...

The original Workington Football Club went into liquidation in 1911 before being re-formed in 1921. We have decided to mark our centenary season, reflecting on the many highs and lows experienced throughout the decades.

We wanted to create something that would bring us all together as Reds fans, something that would make you feel part of Workington AFC during this special year and beyond. If ever there was a time to unite as club it is now, and for us all to do this in an enjoyable and positive way.

This is your opportunity to celebrate with us and be part of a unique members club. For a joining fee of £125 members will receive exclusive benefits including invitations to future celebratory events which will take place throughout 2021 and beyond, developing the strong bond we all have with our club.

This is a once in a lifetime opportunity to take part in our Centenary celebrations, and we look forward to you all celebrating with us.
